

The Professional Truck Driver Institute
Has Solutions for Effective
Driver Training and Development:
STANDARDS & CERTIFICATION

I want to:

- increase the quality and effectiveness of truck driver training.
- communicate the importance of trucking and truck driver training based on industry performance standards to public funding organizations and to members of my organization.
- attract better-trained drivers to the industry.
- improve the image of truck drivers.
- help students understand the value of training to be a quality driver, not just to pass a CDL test.
- reduce the cost of training drivers.

I want to order a set of the **PTDI ENTRY-LEVEL STANDARDS:**

- **"Skill Standards for Entry-Level Tractor-Trailer Drivers"** (Skill standards tell what a driver has to know and do, and how well he has to be able to do.)
- **"Curriculum Standard Guidelines for Entry-Level Tractor-Trailer Driver Courses"** (These are guidelines for teaching the skill standards.)
- **"Certification Standards & Requirements for Entry-Level Tractor-Trailer Driver Courses"** (This can serve as an evaluation mechanism for truck driver training.)

I want to order a set of the **PTDI DRIVER-FINISHING STANDARDS:**

- **"Skill Standards for Professional Solo Tractor-Trailer Drivers"** (Skill standards tell what a driver has to know and do, and how well he has to be able to do it.)
- **"Certification Standards & Requirements for Tractor-Trailer Driver-Finishing Programs"** (This can serve as tool for establishing and evaluating a driver-finishing program.)

My check or credit card information for \$50 per set of **entry-level standards** and/or **driver-finishing standards** is enclosed. Please bill me. (Note: standards will be sent upon receipt of payment.) (Note: The \$50 will be applied toward fees if school applies for course certification.)

I will download the **standards** free from www.ptdi.org but please add my name to your mailing list.

(Note: Skill Standards, Curriculum Standards and Certification Standards are each 43-88 pages to print full documents.)

Please send me a free **listing of schools** with PTDI-certified entry-level courses and driver-finishing programs. This is also available at www.ptdi.org.

Please send me an **application for certification** for ___ Entry-Level Course ___ Driver-Finishing Program

Please **call me** about standards, training and course or program certification, and becoming involved with PTDI.
